FleetRepair SOLUTIONS

SAFETY DATA SHEETS

Your SDS library. One scan away.

Safety information for every FRS team member.

SCAN FOR SDS ACCESS

gofleetrepair.com/safety-training

1 Scan the code

Open your phone's camera and tap the link.

2 Open the SDS library

Open the FRS safety-training page and select

3 Find your product

Use the packet's contents, bookmarks or search.

4 Check the match

Match the product name and code to the container.

Prefer Paylocity?

Home > Resources > FRS Safety Data Sheets (SDS)

Look it up. Look out for each other.

Read the SDS before use. Follow precautions. When unsure, pause and ask.
